what it lost by the war. This is a generic difference. The species denominated carpet-bagger prates of the neminated carpet-bagger prates of the profitableness of loyalty; while the bedeviled rebel deplores the knavery of office-holders. The ultimate vice of office-holders. The ultimate vice of office-holders are the first stanton while the large of the stanton was justified in making the the charge. When this discussion commenced Worrel raised a point of tim of wrongs done by the governing class, and endured by the governed, is the hapless negro, who has yet to is the hapless negro, who has yet to learn that every evil of misrule rests at last, with all its crushing force, upon the productive labor of but because northern congressmen are point of order, which was decided to a country. The negroes have learned that carpet-baggers as a swith Indian territories. A south-these colored people forget that they are the ultimate victims of their own folly. All taxation and every dollar that goes into the treasury of a city, a county or State comes at last from the by its adhesion to it. If the south, laborers—the producers of the coun- with one voice, urged Grant's re-elec-has learned that in voting for knaves Grant's inherent weakness and conthey vote for the perpetuation of their own and of the poverty of their children they will also learn to vote for the power and dren they will also learn to vote for honest candidates for office and

are so identified with us that they will not sacrifice an honorable name makes him omnipotent in the North.

State have been, for the time being, plundered and deprived of the power of resistance, and that hereafter the simply for the purpose of growing Radical politicians fear to desert two races will unite for mutual prorich through the tenure of office. Next after the negro the white pecple of a State commit a most egregious folly when they levy heavy rates of taxation on a specific class of non-producers. Tax a merchant as ford to alarm Northern statesmen by you may, he collects the tax from overthrowing State governments in his customers. Not only this, but he the South, if, at the same with it. charges interest and profit on the tax. moment, he may induce the The man who digs money out of the south to inveigh bitterly against Yesterday morning's papers say that Wheyland was shot by a polication of the bit which the state of the same of the sa man. The armed militia now hold possession of Royal street, occupying its whole length to prevent the asanother State; but the reason for his talls are given in our telegraphic col- sembling of those hostile to Warexile is that he must go to a place in umns. Everywhere in these States, which his customer-the consumer- if Grant's agents can beget them, Is forced by comparative cheapness to buy. Tax Memphis merchants heav- and confusion. The moral effect in By and they advance the price of their wares, pari passu, until buyers go to the South that begets the solidity St. Louis or Chicago, and then Mem. and potency of Northern Republiphis merchants must transfer their canism and thus the supreme potency wealth to St. Louis or Chicago. Tax a note-shaver heavily and he only adds the tax to his "cent per cent." The rate of interest charged by supposed to derive its inspiration brokers and bankers is advanced from Grant, says that a country like with the rate of taxation and there | Spain that is obliged to borrow a king is no evading it-the man who digs from another country, is not fit to money out of the ground, the produ-cer, pays it all. He would pay less if on the American side of the Atlantic. he paid it directly instead of indirect. This is the first newspaper expression ly. The note-chaver, like the mer- of sympathy with the President and chant, charges interest and profit on is designed to pave the way for the the tax whenever he makes a loan, popularization of a foreign war.

the majority of its people, and if the majesty of a military master. these knew that they paid all the est demagogues who pretend to impose unequal burdens upon different

WAR IMMINENT. Dispatches from Washington and were against his expressed wish. the principal eastern cities show that the war and navy departments are actively engaged in preparations for ac- to Grant. In a letter to the Knoxtive hostilities. The secretary of the ville Chronicle, that cheerful old pernavy has given orders for the reorgan- son writes that 'sGrant is stronger toising and equipping of several ships- day then when he was elected." of-war, besides the monitors previously ordered, and in the navy-yards, wherever there are vessels to be repaired or stores provided, the men are working almost night and day. Yet The Origin and Progress of the Troubles Bake Better Bread! Secretary Robeson says this is in the ordinary course of routine business. In addition to this, General Humphreys, chief of the corps of en gineers, has called his assist

ants together, and, after consultation in the capital, dispatched whole country, is very like that in which Memories a few days a few days and analysis of their unanticular to the capital dispatched which Memories a few days a few days and analysis of their unanticular to the capital dispatched which Memories a few days are the capital dispatched to the capital dispatched t them to inspect all the coast and harbor defences and report immediately retain good men in office; in Louisi- Every Stove Fully Guaranteed! their condition and what will be nec-essary to put them in a state of de-eject thieves from office. While that fence. General Abbot, commanding | desperate and lecture or honesty | Warmoth, reigns, reform or honesty the battalion of engineers for the constitution of torpedoes, has also been struction of torpedoes, has also been deemed impossible. The Picayune beretofore regarded favorable to the ner's Stock, and also agents for the celebrated by the beautiful of the conduct of government is deemed impossible. The Picayune beretofore regarded favorable to the ters have even gone so far as for an expression to be made public that the unknown to us. He does not find an administration and the officers prefer apologist in the Picayune for his erthe torpedo plan devised and carried rors. Our journal has not trusted in out by the Austrian government. The his promise any more than it could man who was lifted by war from a bar-room to the White House, and is threatened with an action of eject- legislatures in full blast, a governor ment, naturally looks to honors won in war with an effete monarchy like that of Spain to maintain his position,
It is a little curious that Grant is not content with the war he is waging in South Carolina and Louisiana. South Carolina and Louisiana.

ARKANNAS POLITICS. Q. K. Underwood, of the Shield, by the other side, to make a quorum; celebrates the thirty-second anniversary of his paper's existence by a fearing the arrival of two or awaiting the arrival of two or roclous assault upon Governor Hadley. In fact the political casidron is seething in Arkansas, and Brooks, of Little Rock, and the staunch Republican editor of Helena, are both said to arrest absent members of the sapirants for Hadley's place.

In the application to give them a majority; with United States markans and sergeaut-at-arms running around to arrest absent members of the two bodies claiming to be houses to the sapirants for Hadley's place. to be aspirants for Hadley's place, Underwood denies the soft impeachernor treating his followers to chamment, but with very bad grace, in pagne in exultation over the the great view of his terrific assaults upon poor victory obtained by such means; and view of his terrific assaults upon poor amid such scenes, altogether, in view Hadley, who is charged with gross of these incidents and circu mstance incapacity and remissness in the dis- the condition of affairs in this city is charge of duty when an armed the most extraordinary ever presente drunken mob for days held post by an organized community. And there are side scenes and subordinate session of Lake Village. If the incidents which are not less novel and dominant party in Arkansas remarkable. Of these may be mentheir leader, Arkansas may well rejoice, and we may confidently hope for the restoration of freedom and peace throughout that despotically governed State. Underwood is of the Trumbull-Alcorn school of political thinkers, while his rivals are psalmelinging expet-baggers. It seems very probable that the intelligent voting population of Arkansas, whites and blacks, will family unite in support of Underwood.

Commission and unseating members who were long since determined to be elected or not elected, each party trying to eke out a mijority by swearing in new members, in declaring the speaker's chair vacant, and electing his successor, without charges or trial, and even when the speaker is excluded by force and arms from the house. Then we have a senste wherein nineteen members constitute a quorum, now composed of ten members, who proceed to legislative action, hear and vote upon resolutions, and listen to Office. do no more than select Underwood as | tioned the acts of the two pretending

MEMPHIS APPEAL

THURSDAY MORNING, :: JAM. II, 1872.

THURSDAY MORNING, :: JAM. II, 1872.

The strongest difference between northern and southern people consists how in the fact that one class talks of what it made; the other, of what it lost by the war. This is a who released and southern sensor representatives in securing the properties of the character of men who have represented southern States for some years past in congress, norther who reverse past in congress, norther manders of that body have become accustomed to assume in debate and even in social intercourse with southern sensors and representatives that offensive patronizing air and manner so insufferable in social intercourse that when even suspected gives origin to incurable, unappeasable an imposities. Not long ago a loyal northern sensor indulged in this semi-apologate strain when he condescending to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in view of such scenes and according to parliamentary law. Surely, in

for those who, living in our midst, and having here their homes, to elect, but not to defeat Grant. It rial and permanent interest in the 75 cents "rebels," Grant comprehends the merciless officials. there will be riots, disorders, violence and invincibility of Grant.

THE New York Herald, which is and whenever this burden becomes so Speculators, shoddyites and placegreat that the people will not or can- holders will be well pleased. The not borrow here, the lender sends his tolling multitudes must throw up capital to a more wisely governed State | their hats, pay enormous taxes and or city. The producers of a State are finally bow in stupid adoration before
